MESSAGE:

All 5 completed extension requests for the 5 crews in the module have been signed and turned in to NRCC-MSO

NRCC-MSO confirmed for us last night that they have been in touch with NICC regarding the NICC Jet. At this time, it appears that everything is on schedule for the NICC Jet to transport the module back to Knoxville on the normal travel day, 9/3.

Expecting to hear today from Demob Officer on the demob and travel for VA crewmember travel 8/27.

Jim and I are travelling to the Clearwater-Nezperce dispatch center (they are handling both NC crews) today.
